I wanted to make sure we're ready for tomorrow's meeting with Chesapeake. Paul wants to focus on the studies that Chesapeake has conducted of the two Pennsylvania sites (Which include a retrospective case study site). I believe we previously received reports of these studies and Paul will presume some familiarity with the issues.

He will also want to know where we are in resolving the access and indemnification issues for the prospective case studies. I haven't heard anything more about the open issues and would appreciate an update before tomorrow's meeting.

If there's anyone else who should be invited to tomorrow's meeting, please work with Mary and Don to make sure they get an invite.

Thanks.

Subject: Meeting tomorrow.

Bob – wanted to get a quick read on your agenda for tomorrow's meeting.

We are currently planning to answer questions on methodology and findings from these two studies. We plan to answer questions at a fairly high level, but wanted to find out what depth you or your team might want to get into. They have had these reports for some time, so they may have questions that we can cover.

I believe that we have covered the access and contract issues, but would be happy to address that or any other issues you care to discuss.

Thank you,
Paul Hagemeyer
